Standard colour - Orange. Grey available on special order.

Sealtite® Type CNP additional information

- Constructed of a smooth inner thermoplastic PVC core with an outer oil-resistant PVC cover bonded together with a nylon reinforcing braid. Sunlight resistant outer cover.
- Uses dedicated liquid-tight connectors. Consult factory for connector information.
- Rated from -20° C to + 60° C.
- UL and CSA approved.
- For use in applications where abrasion, physical abuse and constant flexing are a factor.
